SOCIAL DISTANCING

- All persons, including employees, customers, and vendors should remain at least six feet apart to the greatest extent possible, both inside and outside workplaces.
 - [Social distancing will be enforced at all times within the sports center.](#)
 - [Floor markings indicate safe distances in high traffic areas.](#)
- Establish protocols to ensure that employees can practice adequate social distancing.
 - [Staff have been trained on social distancing procedures.](#)
- Provide signage for safe social distancing.
 - [Signage establishing safe social distancing has been placed throughout the building.](#)
- Require face coverings or masks for all employees.
 - [All Sports Center/Select staff are required to wear masks at all times.](#)

HYGIENE PROTOCOLS

- Provide hand washing capabilities throughout the workplace
 - [For customers hand washing areas in bathrooms are fully stocked and monitored throughout the day.](#)
- Ensure frequent hand washing by employees and adequate supplies to do so.
 - [Employees have been trained on proper hygiene practices in accordance with state guidelines.](#)
 - [Employee wash areas are fully stocked and monitored throughout the day.](#)
- Provide regular sanitization of high touch areas, such as workstations, equipment, screens, doorknobs, restrooms throughout work site.
 - [High touch areas will be sanitized at regular intervals throughout the day.](#)

STAFFING AND OPERATIONS

- Provide training for employees regarding the social distancing and hygiene protocols.
 - [Employees have been trained on social distancing and hygiene protocols in accordance with state guidelines.](#)
- Employees who are displaying COVID-19-like symptoms do not report to work.
 - [Employees have been trained to recognize the symptoms of COVID-19 and will not report to work if they have shown any symptoms.](#)
- Establish a plan for employees getting ill from COVID-19 at work, and a return-to-work plan.
 - [Employees showing symptoms of COVID-19 are not to report to work, and to enter a 2-week quarantine in accordance with state guidelines.](#)

CLEANING AND DISINFECTING

- Establish and maintain cleaning protocols specific to the business.
 - [High touch areas will be sanitized at regular intervals throughout the day.](#)
- When an active employee is diagnosed with COVID19, cleaning and disinfecting must be performed.
 - [In the event an employee is diagnosed with COVID-19 or showing symptoms, the entire facility will be sanitized.](#)
- Disinfection of all common surfaces must take place at intervals appropriate to said workplace.
 - [High touch areas will be sanitized at regular intervals throughout the day.](#)

FOR OUR CUSTOMERS

- Parents are asked to remain in their cars, or pick-up and drop-off only.
- In accordance with state regulations, one-way foot traffic patterns have been established.
- No equipment bags are allowed onto the field.
- Water fountains will not be available. Players are strongly encouraged to bring at least 1 personal water bottle labeled with their name.
- Locker rooms will not be available, so players should arrive at the facility ready to play.
- Participants will be separated into groups of no more than 10, including coaches and staff. Larger playing areas and surfaces, such as athletic fields and full- size basketball courts, may be used by more than one group of 10 at one time, provided that adequate social distance and group separation can be maintained. To ensure group separation, groups must be spaced at least 20 feet apart while sharing a playing surface or field.
- During practice and drills, players are required to remain at least 6 feet apart, and are strongly encouraged to wear face masks.
- Bathrooms are limited to 1 occupant at a time (and will only be used for emergencies).
- To participate at the sports center, anyone entering the building must show no signs or symptoms of COVID-19 for at least 2 weeks.
